Lyden Field Guidelines

For Visitors

Our goal is to preserve the artificial turf and to keep our baseball field, soccer/lacrosse grass field, track and stadium in excellent condition. With this in mind our athletes and coaches are asked to follow the guidelines that have been set forth. We ask that our visiting head coaches make sure all staff, players, etc. follow these guidelines.

- Only molded cleats (screw in style) football, soccer, lacrosse cleats (up to 5/8"), turf shoes or sneakers are allowed on the field. Track and baseball spikes are not allowed.
- Use only water. No Gatorade, Powerade or any other drink supplement as it will stain the fields. Please clean up all water bottles following each practice and game.
- No chewing gum, sunflower seeds or any tobacco product is allowed. If any of these items are spit out or the shells dropped on the fields, it must be picked up by hand, which is a difficult task.
- No one is allowed to climb the fence to enter the facility
- No vehicles are allowed inside the fence line.
